
Template for Online Consent

This survey is part of a research study conducted at Carnegie Mellon University.

The purpose of the research is to investigate Carnegie Mellon undergraduate students' satisfaction with the University Center athletic facilities.

Procedures

Participants will be expected to fill in a multiple choice and short answer survey online via QuestionPro.com. Participants will first be asked to give consent for participating in this survey and confirming that they are 18 years of age or older. The expected duration of participating in this study is 5 minutes.

Participant Requirements

Participation in this study is limited to individuals who are age 18 and older. Participants must also be full-time undergraduate CMU students at the Pittsburgh campus.

Risks

The risks and discomfort associated with participation in this study are no greater than those ordinarily encountered in daily life or during other online activities. Participants may experience mild boredom and fatigue from recalling thoughts and feelings about their utilization of the UC athletic facilities. However, these risks will not be any greater than those experienced during the performance of routine physical or psychological examination tests.

Benefits

There may be no personal benefit from your participation in the study but the knowledge received may be of value to humanity.

Compensation & Costs

There is no compensation for participation in this study. There will be no cost to you if you participate in this study.

Confidentiality

The data captured for the research does not include any personally identifiable information about you.
