The grade I expect to receive is: _____

College and Major: _____

Mid-Semester Evaluation
36-617: Applied Linear Regression

October 18, 2021

- This evaluation form has only one purpose: to improve the quality of instruction of this course, both for the rest of this semester, and for future semesters.
- Below are several general statements about the course. Please circle your response to each statement using the 5-point scale indicated.
- Use the blank space on the next page, to offer further comments & suggestions on the course.
- Your frank comments and constructive criticism would be greatly appreciated.

Do not sign your name.

Overall

My understanding of the material covered to date:

1	2	3	4	5
I'm totally lost		Challenging, but I think I'm understanding the material		This course is really easy

My interest in, and enjoyment of, this course to date:

1	2	3	4	5
I'm bored stiff		It's OK but I like another course better		One of my favorite classes

Course	Disagree Strongly	1	2	3	4	5	Agree Strongly
1. The course is not too hard and not too easy.		1	2	3	4	5	
If you disagree, is it too <u>hard</u> or too <u>easy</u> ?							
2. The course is not too slow and not too fast.		1	2	3	4	5	
If you disagree, is it too <u>slow</u> or too <u>fast</u> ?							
3. The things I am learning in this course will be useful in other classes or outside of school.		1	2	3	4	5	

Please use this page to provide any other comments or suggestions on the course (positive or negative) that you think would be useful. You might think about the level of difficulty or easiness of the material, the instructor, the TA, the lectures, the textbooks, the homeworks, the projects, the classroom setup, or any other aspect of the course.
