36-401 Quick Very Imprecise, Not Statistically Valid Class Survey

We were interested in variables that would help predict how much time per day, on average, you spend watching TV/movies. Please answer the following questions. DO NOT WRITE DOWN YOUR NAME.

1) How much time do you spend per day, on average, watching TV/movies?
try to estimate how often/how long on weekdays, weekends, etc; then take a weighted average

2) About how much time do you spend per day, on average, doing homework?
try to estimate how often/how long on weekdays, weekends, etc; then take a weighted average

3) How many classes are you taking?

4) What is your gender?

5) What is your major? *(list all)*

6) What is your class year?

7) How many Facebook friends do you have? *(approximating is fine)*

8) Do you have a Netflix account?

9) On a scale of 1 to 10, how much do you love TV/movies?
(1 = hate it like the plague; 10 = can't live without it)

10) How many hours of sleep do you get a night on average?

11) On what type of device do you most often watch TV/movies?

12) On a scale of 1 to 10, how much do you like sports?
(1 = sports are ridiculous; 10 = sports are life)

13) What is your favorite television show?
